

**June 4th Friday 2010**

**TANDANYA 5.30 FOR A 6 O'CLOCK START**

Come and join us for live music, acting, (well we'll try) performance poetry, entertainment plus and all for a good cause. We are raising money to support the Ampiliwatja walkoff and to assist in funding an anti intervention convergence in Alice Springs in July. Not only will you be entertained, you'll get supper as well. The theatre in Tandanya holds 120 people; we want 120 people@ \$10 each. That will pay for 2 days food while in Alice.

As Lilla Watson says

"If you have come to help me, you are wasting your time; but if you are here because your liberation is bound up with mine, then let us work together."

Whether you are an environmentalist, a vegan, an anti-war activist, a champion of human rights, a writer, meat and potatoes lover or a hummer driver your liberation and mine is tied up with this!
